PLEASE BRING THIS CATALOGUE WITH YOU

Our 1960 Sale

Our herd numbers being reduced to the point where it would have been impossible for the Klaymor and Glenburn herds to stage an annual sale on their own, we have been fortunate in securing strong consignments from other good herds in the area.

We are therefore pleased to be associated in this event with Mrs. Torrance Beardmore, Mrs. W. H. Merry, Messrs. Lasby, Gardhouse, McDermott, and our hosts for the day, M-F Farms, three miles south of Klaymor and Glenburn.

We hope to see you on the 24th.

Terms and Conditions

The cattle offered in this sale are thoroughly healthy and are eligible for export. They are tested Federally for Tuberculosis and for Bang's Disease unless officially vaccinated. All papers necessary for export will be provided.

1. Proper care should be given by purchaser to protect breeding qualities and health of animals. Any cattle in this sale that are fitted for exhibition purposes by their new owners are excluded from the following guarantee.

2. All bulls are guaranteed breeders. If bull when sold is 14 months of age or over and fails to breed, he must be reported within 6 months. If under 14 months of age when sold and fails to be a breeder, he must be reported by the time he attains the age of 20 months. A bull shall not be allowed to serve when under 14 months of age or be allowed to run with the herd when under 20 months of age.

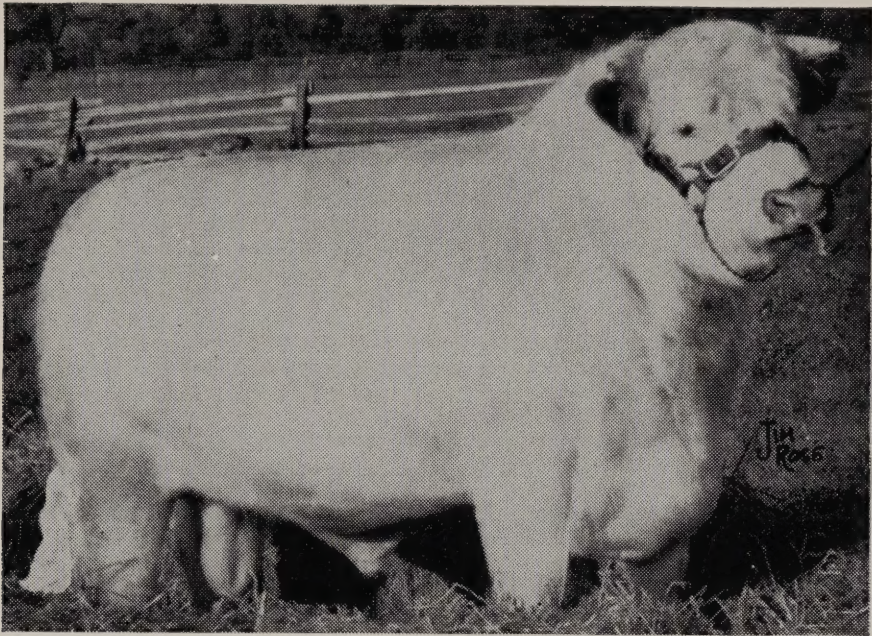

3. Cows sold with calves by side are considered proven breeders. All other cows and heifers sold as a single lot are guaranteed breeders, except calves sold by side of dam as one lot and heifers under 16 months of age at time of sale. Heifers shall not be served for first calf by heavy or old bull. Cows and heifers over three months gone in calf according to service date furnished at time of sale, but not proving in calf, must be reported to seller within three months from date of sale; all others served within three months of date of sale not proving in calf or not settled must be reported within six months. Heifers not settled when 22 months of age shall be promptly reported. Heifers over 16 months of age sold open, not settling within six months of date of sale, shall be promptly reported.

4. Any animal not proving up to foregoing guarantee shall be replaced with another of equal value at time of purchase to the satisfaction of the purchaser, or the purchase price will be refunded at the seller's option, but the seller may, if he desires, have the animal returned for retrial for a period not to exceed six months. The expense of return freight in such case is to be paid by the seller. If the animal is proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case the animal proves to be not a breeder, then the purchaser shall be given the option of having purchase price refunded without interest or of accepting a substitute as stipulated above. Salvage to go to the seller. No charge for feed or maintenance shall be made by either buyer or seller.

5. A certificate of registry in the Canadian Shorthorn Herd Book will be furnished with each animal. Any animal in this sale can be registered in the American Shorthorn Breeders' Herd Book.

6. We will not be responsible for accidents that may occur. As soon as cattle are sold, they are at the owner's risk, but every care and attention will be given them, and they will be loaded free of cost. Neither the Sale Manager nor the Clerk assumes any liability, legal or otherwise.
